

MLC Life Cover Super TARGET MARKET DETERMINATION

Target Market Determination

This Target Market Determination (TMD) describes the class of consumers that comprise the target market for this product and matters relevant to the distribution and review of this product. This document does not form part of the Product Disclosure Statement (PDS) for the product and isn't intended to be a summary of the features or terms of the product. This document does not take into account any person's individual objectives, financial situation or needs. It's recommended that consumers read the PDS before making any decision regarding the product.

Section 1: Target Market						
Product type	The product covered by this docu The product does not provide for	The product covered by this document is a superannuation product providing insurance benefits only. The product does not provide for any accumulation of savings.				
Class of consumer	This product may only be accesse Super product. It is not available	This product may only be accessed by customers that already have insurance in the MLC Life Cover Super product. It is not available to new customers.				
	(1) Likely objectives, financial si	(1) Likely objectives, financial situation and needs of consumers in the target market				
	environment, Life Insurance in th	An individual is in the target market for this product if they wish to obtain, within the super environment, Life Insurance in the form of Life cover, Total and Permanent Disablement (TPD) cover or Income Protection (IP) cover as outlined below:				
	Life cover	Total and PermanentIncome Protection (IP)				
	envisage that in future they will o or financial-in-kind commitmen financial commitments of their e	The consumer wants to reduce their exposure where they have (or envisage that in future they will or may have) outstanding financial or financial-in-kind commitments, and (for life cover) outstanding financial commitments of their estate or of their dependants, that will not be satisfied in the event/s listed below.				
	 The life insured's: Death Terminal Illness Accidental Injury (where applicable under the product terms). 	 The life insured is incapable of engaging in: meaningful gainful employment, or independent living due to total and permanent disablement. 	unable to earn income (or are only able to earn a lower income) due to illness or injury.			
	debt servicing costs, income or re	evenue replacement, medical and r nal care and (for life and TPD cove	not limited to, mortgage and other ehabilitation costs, transportation r only) palliative care, business			

	 For the purpose of this TMD, an individual is in the target market for Life Insurance within the super environment if they accept that there are legislative restrictions that impact the insurance cover, including: the insurance premiums must be paid from a super account balance or by making a contribution to a super account; any insurance claim will be paid via the trustee of the super fund, who must also approve payment of the benefit; if the consumer dies and has not made a valid binding death beneficiary nomination, the trustee of the super fund may determine the beneficiary or beneficiaries who will receive the death benefit; the qualifying definitions under which an insurance claim can be paid must be consistent with legislated superannuation rules called 'conditions of release'; the legislated 'conditions of release' must be satisfied before benefits, including an insurance claim, can be paid to the member, and taxation may apply to benefit payments. (2) Financial situation of consumers in the target market As the premiums may vary from time to time (in accordance with the chosen premium structure) the consumer should have the financial capacity to pay the premiums over the period they intend to hold 					
	 the product. The potential relevant sources of financial capacity (consumer must have at least one) are: Is earning income; Has personal savings; Has superannuation, or Otherwise has financial capacity to pay premiums.

Insurance offering	This product offers life insurance cover as listed below, provided by MLC Limited in accordance with the terms and conditions outlined in the Product Disclosure Statement (PDS). MLC Limited is part of the Nippon Life Insurance group and is not a part of the Insignia Financial Group. MLC Limited uses the MLC brand under licence.					
	The consumer is in the target market for this product if they wish to obtain, within a super environment, one or more of the following types of life insurance:					
	Description of the life insurance cover		r	Type of claim payment		
	Life – In the event that the consumer, i.e. the life		e. the life	Lump s	um payment ✓	Monthly payments X
	 insured: dies; or is diagnosed with a terminal illness; or suffers an accidental injury (specified terms). 					
	TPD – In the event that the consumer, i.e. the life insured:			✓	Х	
	 suffers a permanent disability meaning they cannot work again in any occupation they are reasonably suited to; or suffers either a permanent cognitive deficit, a specified loss of use or for those performing 					

	 Home Duties, a permanent inability to perform specified Domestic Duties; or after age 65, if they suffer a Loss of Independent Existence. (Certain specified terms or an own occupation definition may apply to pre-1 July 2014 policies). 		
	IP - In the event that the consumer, i.e. the life insured is:	Х	✓
	 unable to work due to illness or injury; or partially restricted in performing their duties and suffering a reduction in income due to illness or injury. 		
	The consumer may nominate an amount of insurance which is tailored to their own individual circumstances. If successfully underwritten, specific occupation loadings and/or medical exclusions may apply. Premium rates will be based on age and gender. The consumer's premiums may be higher or lower depending on their occupation and any medical loadings, and in the case of income protection will vary based on the waiting period and benefit period.		
Negative target market	This product is not designed for individuals whose circumstances match any of the following:		
	 the consumer does not want Death, TPD or IP life insurance within the super environment; the consumer is considering applying for insurance and is aged younger than the minimum entry age of 16 for Death or TPD cover or 19 for IP cover, or 		
	 the consumer is considering applying for insurance and is aged older than the maximum entry age of: 		
	 60 for Death cover with Level Premiums or 65 for Death cover with Stepped Premiums; 55 for TPD cover with Level Premiums or 60 for TPD cover with Stepped Premiums or Decreasing Cover, and 		
	 60 for IP cover for Professional and Clerical Oc Risk Occupations. 	cupations or 55 for IP cov	er for General and Special

	For distribution via pers	sonal advice		
	• Application for cover must be submitted by a suitably authorised financial adviser (i.e. authorised in life risk products and super), operating under an appropriate AFSL who has accepted the MLC Limited Distribution Agreement and has obtained a licensee code and adviser code.			
	For distribution via gene	eral advice		
	 Distributor must not distribute to a consumer who does not satisfy the eligibility requirements in the Target Market as set out above; Application for cover must be submitted via an appropriate AFSL, with who has accepted the MLC Limited Distribution Agreement and has obtined to be accepted the MLC Limited Distribution Agreement and has obtined to be accepted the MLC Limited Distribution Agreement and has obtined to be accepted the MLC Limited Distribution Agreement and has obtined to be accepted to be accep			
	code; • Distributor must provi	de the consumer with the PDS.		
Reporting required from distributors				
Reporting requirements	Each person who engages in retail product distribution conduct (whether or not it is excluded conduct) in relation to the product, must provide the following information to us.			
	Complaint information	Complaints (as defined in section 994A(1) of the Corporations Act) received during a calendar quarter relating to product design including its features, terms or conditions or product distribution. The distributor should provide all the content of the complaint, having regard to privacy.		
		Timing: As soon as practicable, or in any event, within 10 business days after the end of each calendar quarter.		
	Significant dealings outside TMD	If the Distributor becomes aware of a significant dealing in the product which is not consistent with this TMD, they must report details about the significant dealing, such as:		
		 whether the significant dealing relates to giving or implementing personal advice; the date on which the significant dealing occurred, or the date range during which dealings occurred that taken together are significant; when and how the significant dealing was identified; the number of consumers involved in the significant dealing; the nature and circumstances of the significant dealing, including why it is not consistent with the TMD; whether there has been or is likely to be consumer harm or detriment as a result of the significant dealing and, if known, the nature and extent of the harm or detriment, including the amount of any monetary loss; and what steps have been taken (if any) in relation to the significant dealing. 		
		Timing: As soon as practicable but no later than 10 business days after becoming aware of the significant dealing.		

Section 3: Review Frequency and Review Triggers				
Review frequency				
Periodic Review	This TMD will be reviewed at least annually and will be updated as and when appropriate.			
Review triggers				
Significant product change	We make a significant change to the key product attributes, terms or conditions.			
Significant breach	We commit a significant breach of a financial services law, where the breach relates to the design or distribution of the product.			
Product performance	We make a determination for the purposes of s.52(9) of the Superannuation (Industry) Supervision Act 1993 that the applicable product is not promoting the financial interests of the members of the fund, as assessed against benchmarks specified in regulations.			
Significant dealings outside TMD	We identify significant dealings outside of the TMD.			
Complaints from members or distributors	We receive a significant and unexpected number of complaints, in respect of one or more calendar quarters, in relation to the product design (including features, terms or conditions) or the manner in which the product is distributed.			
Notification from ASIC	We receive a notification or engagement from ASIC raising serious concerns regarding the design or distribution of the product.
