# Our upgrade philosophy

We continually look for ways to upgrade and improve your insurance to give you better protection.

Whenever we improve the features and benefits of these insurance products we automatically upgrade your policy with improvements that don't require an increase in your premium rates.

This brochure summarises the upgrades we made to MLC Insurance and MLC Insurance (Super) on **16 April 2019**.

## Which upgrades apply to you?

The upgrades that apply to you will depend on the type of insurance and options you've selected as part of your policy.

## When do these upgrades apply?

The upgrades outlined in this brochure are effective from **16 April 2019**.

## We're here to help

If you have any questions, please speak with your financial adviser or call us on **132 652** between 8am and 6pm (Melbourne/Sydney time), Monday to Friday.

# New policy wording for the upgrades

## **MLC Insurance (MLCI), MLC Insurance (Wrap or SMSF) (MLCIWP), and MLC Insurance (Super) (MLCIS).**

**Please read the new policy wording carefully. This wording amends and updates the existing wording for each relevant section of your policy document in line with upgrades that apply to your policy, effective from the date shown.**

**Other than these upgrades, the existing terms and conditions of your policy are unchanged.**

These upgrades only apply to future claims and not to any claims resulting from health conditions or events which began or took place before the effective date shown. The upgrades are improvements in your insurance but should a situation arise where you are disadvantaged by the application of a policy term that has been changed under the Guarantee of upgrade since your policy started, then we will instead apply the prior version of that term that is most advantageous to you.

### **Remember:**

Check your most recent policy schedule to determine which upgrades apply to you.

So you can check more easily, the 'New policy wording' sections in this brochure match the headings in your policy document.
