8. Rollover from external super fund – enduring authority

Only complete this section if you want to pay your premium by an ongoing annual deduction from your external super account. Please note you can only request one MLC Insurance (Super) policy to be paid by rollover by any one external super fund.

This section is a direction to the trustee of your nominated external super fund to rollover funds to the MLC Super Fund and a direction to the Trustee to apply those funds in payment of premiums for your insurance policy.

Please read – Important information

- The member must be the same for both the MLC Insurance (Super) policy and the external super fund account.
- If the rollover request is rejected by the external super fund for any reason the Trustee will request alternative payment details from you, otherwise the policy will lapse.
- An amount equal to the annual premium payable will be requested as a rollover from your external super account proximate to the annual anniversary date for your insurance policy. We will notify you of the amount of annual premium required prior to requesting the rollover from your nominated external super fund.
- You agree that if the Fund or the Trustee change at any time, then this enduring rollover authority applies to authorise the trustee and administrator of the successor fund, to continue the ongoing annual deduction from your external super account to pay your premium.

Your responsibility

- It is your responsibility to determine the impact the rollover may have on any entitlement you have in the external super fund.
- Please ensure the account balance with the external super fund is sufficient to allow for the rollover of the required amount and ensure you meet any minimum balance requirements of the external super fund.
- You authorise the trustee of the external fund to deduct any applicable fees or charges which may be payable as a result of the rollover from your external account.
- You discharge the trustee of the external super fund from any further liability in respect of rollover benefit once the amount is transferred to the MLC Super Fund.

Termination of arrangements

- You must notify the Trustee in writing if you wish to terminate the ongoing annual rollover arrangement. Until such time, this direction and authority remains valid.
- The Trustee may, at its discretion or as may be required by law or regulations, terminate arrangements for annual rollover of funds from a nominated external super fund.
- The Trustee may be able to claim a tax deduction for the premium it pays for your insurance and, at its discretion, may pass some or all of the benefit of this tax deduction to you by reducing the amount of the rollover required to meet the premium, when the roll over comes from a taxed source.
