Key information about your insurance

Inflation Proofing

If Inflation Proofing applies to your insurance, then each year, on your Review Date, we'll automatically increase your sum insured to take inflation into account.

Your sum insured will increase in line with the Consumer Price Index (CPI) – the increase to the sum insured at any one Review Date will be the increase in CPI (provided you are not being paid a benefit under the policy). If the percentage increase in the CPI, or any substitute for it, is negative, we will treat the CPI increase as being nil.

Your premium will increase to reflect this change. We'll let you know about the increase one month before your Review Date. Your premium will vary depending on the increased sum insured and your age.

If you don't want the CPI increase (in part or in full) for a particular year, please contact us within two months after your Review Date.

For Income Protection insurance, if Inflation Proofing increases your Indemnity cover sum insured above the maximum limits (see the 'Maximum monthly benefit limits' table on page 7) we will calculate the increase in the maximum monthly benefit limits as follows:

- For Income Protection Platinum and Income Protection, your maximum sum insured will be increased by 20% of your Earnings (at the time of your claim) in excess of \$2,360,000 a year.
- For Income Protection (Special Risk), your maximum sum insured will be increased by 50% of your Earnings (at the time of your claim) in excess of \$560,000 a year.

Renewing your insurance

For details about renewing your insurance, please see the Insurance PDS. Income Protection (Special Risk) policies are not guaranteed to be renewable after the first three years but will be considered on a case-by-case basis.

3. Summary of the terms and conditions for Income Protection

In this section you'll find a summary of:

1. General terms
2. Terms for Extra Benefits Option
3. Terms for specific insurance, Benefits, Features and Options
4. General exclusions, and
5. General termination events.

The full terms and conditions that apply to your insurance are in the policy document, which we'll send to you when we accept your application.

1. General terms

How much insurance can you apply for?

A monthly benefit up to \$30,000 is available for all occupations. A monthly benefit up to \$60,000 is available for some professional occupations such as surgeons, accountants and solicitors provided this is permitted within your policy contract terms.

The maximum monthly benefit you can apply for is based on your Earnings as follows:

Maximum monthly benefit limits

Your Earnings (per annum)	Your Earnings (per month)	Percentage of your Earnings	Maximum monthly benefit
First \$320,000	\$26,666	75%	\$20,000
From \$320,001 to \$560,000	\$26,667 to \$46,666	50%	\$20,001 to \$30,000
From \$560,001 to \$2,360,000*	\$46,667 to \$196,666	20%	\$30,001 to \$60,000
Over \$2,360,000	Over \$196,666	N/A	\$60,000

*Benefits over \$30,000 can only be applied for by certain professional occupations such as surgeons, accountants and solicitors. Your financial adviser can help you work out whether your occupation is eligible.

This maximum applies to the combination of all your Income Protection insurance policies from all sources.

Conditions for monthly benefits over \$30,000

Insurance above the \$30,000 monthly benefit is only available if your insurance below that amount is with us and your policy contract terms permit this level of cover.

The Waiting Periods available are 30, 90 or 365 days and the maximum benefit period is two years.

Style of benefit

Subject to the terms and conditions of your insurance, and provided your application is accurate, complete and acceptable to us when you apply, you can choose from two styles of benefits to address what happens if your Earnings decrease after your insurance is issued:

- Agreed Value cover, or
- Indemnity cover.

Agreed Value cover (only applicable for customers who took out Income Protection insurance before 1 April 2020)

Your monthly benefit won't be reduced because of a change in your Earnings.

After the Review Date following your 65th birthday, your benefit will be assessed as an Indemnity cover benefit (see page 8).

Where you apply for Agreed Value cover and:

- you provide satisfactory and accurate financial information when you apply,

MLC Insurance

MLC Insurance (Super)

Supplementary Product Disclosure Statement (SPDS) for Income Protection Platinum, Income Protection and Income Protection (Special Risk) insurance

Summary of the terms and conditions for Income Protection

- the information supports your Total Disability Benefit under your Income Protection insurance, and
- you fulfil your duty to take reasonable care not to make a misrepresentation (refer to Insurance PDS),

we won't ask you to provide this information again to justify your benefit amount if you make a Total Disability claim.

Financial information may still be required if you make a claim. This information will be used to help with the claim assessment, determine your eligibility for other benefits under the policy and/or to meet super and legislative requirements.

Indemnity cover

Your monthly benefit may be reduced if your Earnings Before Disability decrease (see page 26). Choosing this style of benefit may help lower your premiums.

The benefit payable will be the lesser of the benefit shown on your Schedule and the maximum insurable amount as calculated in the 'Maximum monthly benefit limits' table under 'How much insurance can you apply for?' section on page 7.

How does Partial Disability work?

If, when your disability begins, you're Gainfully Employed or have been Gainfully Employed during the previous 12 months, and you return to work in a reduced capacity, your Partial Disability benefit will be calculated in proportion to your reduction in Earnings.

For Income Protection Platinum

If, when your disability begins, you're not Gainfully Employed and haven't been

Gainfully Employed during the previous 12 months, your Partial Disability benefit will be calculated differently.

The calculation will be in proportion to the reduction in the amount of Earnings you could reasonably be expected to generate if you were working to your pre-disability capacity. This will take into account available medical evidence (including the opinion of your Doctor), relevant occupational assessments and other considerations directly related to your medical condition (including information provided by you).

If you're receiving Total Disability benefits, you won't be eligible for Partial Disability benefits.

What if you can claim for loss of income from other sources?

When you receive benefits from other sources such as Workers' Compensation or other legislated payments for loss of income, your benefits will be adjusted.

We won't make any adjustments for social security payments, benefits at common law, compensation paid for pain or suffering or super payments.

Agreed Value cover

Your benefits will be reduced so that the total amount you receive from this insurance, together with benefits for loss of income from all other sources, doesn't exceed:

- 75% of your Earnings Before Disability for Total Disability, or
- 100% of your Earnings Before Disability for Partial Disability.

We won't reduce your benefits if the total benefits you receive from this insurance, and benefits for loss of income from all other sources, are less than your monthly benefit (as shown in your Schedule).

Indemnity cover

Your benefits will be reduced so that the total amount you receive from this insurance, together with benefits from all other sources, will be the lesser of:

- the benefit shown on your Schedule, and
- your maximum insurable amount calculated as described in the 'Maximum monthly benefit limits' table on page 7.

Where benefits from other sources are paid as a lump sum, we'll treat the lump sum as though it is paid in equal monthly instalments for eight years and use that amount to calculate the reduction in your benefit.

For Income Protection Platinum (Agreed Value and Indemnity)

For some professional occupations such as surgeons, accountants and solicitors, we won't adjust your benefit.

Your financial adviser will help you work out if your occupation is eligible.

For Income Protection (Special Risk) (Agreed Value and Indemnity)

If you have selected Non-Occupational Cover (see page 18), no benefit will be payable if you suffer any disability caused by a sickness or injury:

- for which income benefits are payable from Workers' Compensation or a similar compensation scheme regulated by legislation, or
- that happened at work or as a result of work.

Conditions for the Critical Illness Benefit

The Critical Illness Benefit is:

- payable instead of the first 180 days of any Total or Partial Disability benefit or the Nursing Care Benefit,

- not payable if it is less than \$10,000.

The maximum benefit is the lesser of your monthly benefit or \$4,500 per month, for up to six months.

Nursing Care Benefit (payable during the Waiting Period)

You'll receive a proportion of your monthly benefit (1/30th each day) if you're confined to bed under a Doctor's direction, and receive full-time registered nursing care (not provided by a member of your Family).

The benefit applies if you're confined to bed for at least 72 consecutive hours. You will receive this benefit for each day of care during the Waiting Period for up to 180 consecutive days.

Transportation Benefit

If you become Totally Disabled for at least one month while you are:

- outside Australia, we'll reimburse the cost of transportation back to Australia, or
- inside Australia, more than 100 kilometres from home, we'll reimburse the cost of transportation back to your home.

We'll only pay this benefit once in any 12-month period, after deducting any reimbursements you're entitled to receive from other sources. You can receive a maximum benefit equivalent to three times your monthly Income Protection benefit.

Death Benefit (Feature of Income Protection Platinum, Income Protection, and Income Protection (Special Risk) insurances)

Your estate will receive six months' benefit as a lump sum if you die while the policy is in force. The maximum benefit is \$60,000.

Elective Surgery Benefit

You may be eligible for a monthly benefit if you're unable to work because you have undergone:

- elective surgery performed on the advice of an appropriately qualified Doctor
- an operation to improve your appearance as a result of a sickness or injury, or
- surgery to donate a body organ or bone marrow to another person.

The surgery must take place more than six months after this insurance started, was last reinstated or increased. If you undergo elective or cosmetic surgery within six months of an increase to your monthly benefit, we'll only pay the monthly benefit that applied before the increase.

In all cases, the surgery must be performed by an appropriately qualified Doctor.

Extended Cover Renewable To Age 70 (Feature of Income Protection Platinum and Income Protection insurances)

Provided that you continue to work full-time in Gainful Employment and you are not receiving, or entitled to receive, a Total Disability or Partial Disability benefit at the Review Date following your 65th birthday, you can continue to renew this Income Protection insurance until the earlier of:

- you turning 70, and
- the date you retire or cease full-time Gainful Employment.

Summary of the terms and conditions for Income Protection

- the amount we pay you will be the lesser of:
 - the benefit shown on your Schedule
 - the maximum insurable amount calculated based on the formula described in the table on page 7, and
 - \$30,000 per month subject to the section 'What if you can claim for loss of income from other sources?' on page 8, and

All other benefits and options will cease.

Increases Without Further Medical Evidence (Feature of Income Protection Platinum and Income Protection insurances)

You can request an increase in your Income Protection Platinum and Income Protection monthly benefit, without needing to provide further medical evidence, by up to 20%, subject to the maximum insurable amount calculated based on the table on page 7 when any of the following events happen:

- you or your Spouse adopt or give birth to a Child
- you get married or divorced
- you complete an undergraduate degree at a government recognised university
- you receive an increase in your Earnings of at least 10% in the previous 12 months
- you have a Child who starts secondary school, or
- if you take out, or increase, a mortgage to purchase or improve your home.

You will need to provide financial evidence satisfactory to us to support

the increase requested, proof of the event and request the increase in writing.

This increase will be in addition to any increases available under Inflation Proofing.

For the first 12 months after your monthly benefit is increased without further medical evidence, the increased monthly benefit (excluding any increases due to Inflation Proofing) is only payable for Total Disability or Partial Disability caused by an Accident.

Conditions that apply to increases without further medical evidence

The application for an increase in the monthly benefit must be made between the date the relevant event happens and 30 days after the first Review Date following the event.

Under this feature you can only apply for one increase during any three-year period. However, you can bring forward an application for increase, so that you can apply for an additional increase during a 3 year period, subject to the following conditions:

- you can only bring forward an application for increase 4 times
- if you bring forward an application for increase, the Review Date will then commence from the date of the increase for the purposes of Personal Event increases, and
- you cannot bring forward an application for increase if you're on claim under the policy including during the Waiting Period.

Your monthly benefit cannot be increased if:

- you are over age 55
- you are being paid a benefit or are eligible to make a claim for a benefit

- a medical loading or exclusion applies to your insurance, or
- the total amount of all income protection insurance issued by us which covers the life insured exceeds \$30,000 per month.

Indexed Claim Benefit

To make sure benefits keep pace with inflation, your benefits and Earnings Before Disability will be increased annually after benefits have been paid continuously for a full year. The increase will be equal to the most recent annual CPI increase available at the date we calculate the increase.

Lump Sum Benefit Option (For Income Protection Platinum outside super only)

If you select this option when your insurance starts, you may choose to receive the monthly benefits as a lump sum when you're Totally and Permanently Disabled, as defined on the next page.

This option can only be selected with benefit periods to age 65.

There is no additional premium for this option.

This option is only available for certain occupation groups such as surgeons, accountants, solicitors, salespersons and carpenters (this option isn't available if you work in a special risk occupation). Your financial adviser can tell you if you're in an eligible occupation.

Please refer to the Taxation section of the Insurance PDS for the tax implications of choosing this option.

If you selected this option when this insurance started, you may choose to receive the monthly benefits payable

MLC Insurance

MLC Insurance (Super)

Supplementary Product Disclosure Statement (SPDS) for Income Protection Platinum, Income Protection and Income Protection (Special Risk) insurance

under your Income Protection Platinum insurance as a lump sum benefit instead of monthly payments if the life insured is Totally and Permanently Disabled as defined on this page.

The lump sum benefit will be the lesser of:

- \$3 million, and
- a multiple of the monthly benefit, where the multiple is:
 - 180 (if the life insured is under age 40)
 - 156 (if the life insured is age 40 to 44)
 - 132 (if the life insured is age 45 to 49)
 - 108 (if the life insured is age 50 to 55), or
 - the number of complete months to the Review Date following the life insured's 65th birthday (if the life insured is age 56 or over).

The multiple described above is calculated based on the date you satisfy the Qualification Period described on this page.

The lump sum benefit will be reduced by all disability benefits paid after the Qualification Period has been satisfied.

The monthly benefit used in the calculation described above will be reduced by any benefits from other sources that would have applied had this option not been exercised, as described in 'What if you can claim for loss of income from other sources?' on page 8.

Conditions that apply to the Lump Sum Benefit Option

The Lump Sum Benefit Option can only be exercised by you if:

- you have satisfied the Qualification Period
- the life insured has not been diagnosed as terminally ill and likely to die within 12 months from the date the Qualification Period is satisfied, and
- you request in writing that the Lump Sum Benefit Option be exercised.

The Lump Sum Benefit Option, once selected, cannot be cancelled and, unless exercised, will end when the life insured turns 65.

When the Lump Sum Benefit Option is exercised, and the lump sum benefit is paid, this Income Protection Platinum insurance ends and no further benefits of any kind are payable under this insurance.

Definitions for the Lump Sum Benefit Option

Premium Waiver (Feature of Income Protection Platinum, Income Protection, and Income Protection (Special Risk) insurances)

Your Income Protection premiums will be waived while you're receiving benefits.

Any premiums paid while you're disabled and receiving benefits, including during the Waiting Period, will be refunded.

Premiums for other types of insurances will still be due.

Recurring Disability Benefit (Feature of Income Protection insurance)

If your disability recurs while this insurance is in force, we'll consider it a

continuation of your previous disability if you returned to work after your previous disability for no more than:

- six months, if your benefit period is five years or less
- six months, if the disability recurs after the Review Date following your 65th birthday, or
- 12 months, if your benefit period is more than five years and the disability recurs before the Review Date following your 65th birthday.

If this is the case, you can continue your claim as soon as the disability recurs, with no new Waiting Period.

The cause of the disability must be the same as, or related to, the previous disability for which you received a benefit.

The combined benefit period for both the previous disability and the recurring disability cannot exceed the total benefit period shown in your Schedule.

If the disability recurs after this time we'll treat it as a new claim.

Rehabilitation Expenses (outside super only)

You'll receive an amount for rehabilitation services approved by us to help you return to work. This amount could be up to 12 times your monthly benefit and could include the cost of a rehabilitation course or special equipment.

This amount is in addition to any other Total or Partial Disability benefits.

Rehabilitation Bonus (outside super only)

You'll receive increased benefits while undergoing rehabilitation approved by us.

Your Total or Partial Disability benefit will be increased by 50% for up to 12 months.

Short Waiting Period for Accidental Injury Option (outside super only, only where 14 or 30 day Waiting Periods apply)

This option allows you to receive benefits sooner by paying you a benefit during the Waiting Period if your Total Disability:

- is caused by an Accident, and
- it begins within 30 days of the Accident.

To be eligible for this benefit you must be Totally Disabled as a result of an Accident for a period of at least three consecutive days from the day you first seek medical advice for your injury.

If you're already eligible for the Nursing Care Benefit under the Extra Benefits Option, you won't be eligible for this feature.

We will pay 1/30th of the monthly benefit amount for each day you are Totally Disabled during the Waiting Period.

This benefit will accrue from the first day that you are Totally Disabled and will continue until the earlier of:

- the end of the Waiting Period, or
- until you are no longer Totally Disabled.

This benefit will be paid in arrears.

Waiting Period Conversion (Feature of Income Protection Platinum and Income Protection insurances)

You can apply to change the Waiting Period of this insurance from 24 months to 90 days without further medical evidence if you have left your employer and your cover under an eligible Group Salary Continuance scheme or other similar arrangement (Salary Continuance Arrangement) ends and the conditions (outlined below) are met.

Apart from medical history, all aspects of your history will be assessed to determine whether we can offer to convert the Waiting Period and, if so, the conditions which may apply.

We may decline to accept the application to convert the Waiting Period on the basis of this evidence or information, when considered in light of our standard underwriting guidelines applicable at the time of the application to convert the Waiting Period.

Alternatively, we may accept the conversion subject to a change to the occupation category that applies or a change to the monthly benefit.

Conditions that apply to the Waiting Period Conversion
